SUPPORTED LIVING LET YOUR INDEPENDENCE FLOW

WELCOME

S&A Care Services is a Supported living Care Home. S&A Care Services provides services for individuals with learning disabilities, challenging behaviour, autism, dementia, physical disabilities, complex needs and, mental health. We also specialise in Prader - Willi syndrome (PWS) making us the one of the leading care providers in East London.

We have built a reputation for delivering pioneering services and outstanding outcomes for the individuals in our care

OUR EXPERT AND HIGHLY DEDICATED CARE TEAM

Empowering all our residents across all our homes to consistently make a positive difference in their lives.

CARE SERVICES

A photograph of a man in a wheelchair, overlaid with a green tint. The man is looking towards the camera with a slight smile. There are two yellow triangles pointing towards the text: one in the top right and one in the middle left.

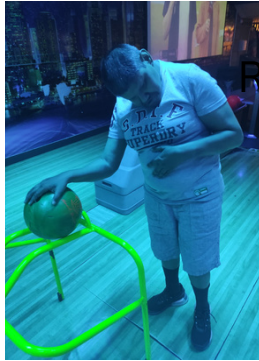

Our vision

“is to enrich individuals with experiences by providing opportunities for active, engaged, and purposeful living in highest quality homes”

OUR PERSON CENTRED APPROACH

Within our supported living services we provide a completely person-centred approach. We ensure that we put the individual at the centre of everything we do.

- 1 I chose who I want to live with
- 2 I have my own home
- 3 I chose who supports me and how am I supported
- 4 I chose how I am part of the community

“ My son has **settled**, and **his well-being is the best** it has been for a very long time.. **We are very grateful for all S&A Care Services** has committed to doing for him”
